# PATHWAYS TO EMPOWERMENT

Pathways to Empowerment (PTE) is a 9 week group based program for women who have experienced domestic and family violence who are interested in building skills in education, employment or training.

PTE focuses on financial wellbeing and economic independence to break the cycle of violence.

Group content covers – communication, decision making, and reconnecting with your hopes, values and goals.

Participants will develop a pathways plan that sets goals for future economic empowerment.

Funded and supported by

In partnership with
